N	Investigator	Institution
1	Bill	Aston University
2	Cota	Imperial College, London
3	De Simone	Imperial College, London
4	Matthews	Imperial College, London
5	Conte	King's College, London
6	Isaacson	King's College, London
7	Mason	King's College, London
8	McDonnell	King's College, London
9	Pastore	King's College, London
10	Pfuhl	King's College, London
11	Neuhaus	MRC Laboratory of Molecular Biology
12	Garnett	Queen Mary College, London
13	Driscoll	The Francis Crick Institute
14	Aliev	University College London
15	Christodoulou	University College London
16	Hansen	University College London
17	Ramos	University College London
18	Williams	University College London
19	Bagby	University of Bath
20	Keep	University of Birkbeck
21	Williamson	University of Birkbeck
22	Fütterer	University of Birmingham
23	Günther	University of Birmingham
24	Hyde	University of Birmingham
25	Crump	University of Bristol
26	Woolfson	University of Bristol
27	Broadhurst	University of Cambridge
28	Dobson	University of Cambridge
29	Duer	University of Cambridge
30	Fersht	University of Cambridge
31	Laue	University of Cambridge
32	Nietlispach	University of Cambridge
33	Mott	University of Cambridge
34	Blumenschein	University of East Anglia
35	Moore	University of East Anglia
36	Barlow	University of Edinburgh
37	Bramham	University of Edinburgh
38	Uhrin	University of Edinburgh
39	Smith	University of Glasgow
40	Lorch	University of Hull
41	Goult	University of Kent
42	Howard	University of Kent
43	Williamson	University of Kent
44	Bayliss	University of Leeds
45	Breeze	University of Leeds
46	Radford	University of Leeds

47	Zhuravleva	University of Leeds
48	Carr	University of Leicester
49	Dominguez	University of Leicester
50	Schwabe	University of Leicester
51	Vuister	University of Leicester
52	Barsukov	University of Liverpool
53	Lian	University of Liverpool
54	Middleton	University of Liverpool
55	Golovanov	University of Manchester
56	Bonev	University of Nottingham
57	Searle	University of Nottingham
58	Williams	University of Nottingham
59	Hore	University of Oxford
60	Vakonakis	University of Oxford
61	Watts	University of Oxford
62	Redfield	University of Oxford
63	Pickford	University of Portsmouth
64	Craven	University of Sheffield
65	Staniforth	University of Sheffield
66	Waltho	University of Sheffield/Manchester
67	Williamson	University of Southampton
68	Werner	University of Southampton
69	Schwarz-Linek	University of St Andrews
70	Parkinson	University of Strathclyde
71	Blindauer	University of Warwick
72	Brown	University of Warwick
73	Dixon	University of Warwick
74	Gibson	University of Warwick
75	Lewandowski	University of Warwick
76	Hubbard	University of York
77	Plevin	University of York
78	Potts	University of York
NMR facility manager		
1	Atkinson	King's College, London
2	Freund	MRC Laboratory of Molecular Biology
3	Frenkiel	The Francis Crick Institute
4	Whittaker	University of Birmingham
5	Bella	University of Edinburgh
6	Kalverda	University of Leeds
7	Muskett	University of Leicester
8	Phelan	University of Liverpool
9	Williams	University of Nottingham
10	Wells	University of Southampton

Non-exhaustive list of UK groups doing biological and biochemical NMR, in either liquid or solid state.

The most recent CCPN software user survey showed an average of three occasional and just under four regular program users for each responding group. If we take this as indicative of group size, the 88 groups would correspond to over 600 researchers.
